Exhibitors Analysis

Exhibition Category	Exhibitor Ratio
Resource Circulation	33%
Sustainable Cities	25%
Energy	18%
Institutions & Organizations	14%
Green Innovation	6%
Green Consumption	2%
Carbon Reduction Technology	2%

Exhibitor Feedback

"The most distinctive part of the exhibition was the forums combined with multi-industry networking and business matching arrangements."

-SustainWell Service Co./ Deputy General Manager

"TASS2025 Exhibition featured a comprehensive theme that was quite distinctive, and the service was thorough."

-系品有限公司 / General Manager Liu

"The exhibition provided transformation solutions for sustainable supply chains requiring low-carbon products. There were many circular economy solution vendors present."

- Ethanol Energy LTD. / Chairman Lin

International Interaction

Netherlands / Canada / India / Indonesia / Italy / Japan / South Korea / Luxembourg / China / Hong Kong / Malaysia / Netherlands / Philippines / Singapore / Somalia / Thailand / Germany and others —
A total of **17** countries participated

Exhibition Interaction & Site Visits

Business Matching Sessions

55+

One-on-One Business Matching Sessions

7 Demand-Side Companies

- Taiwan Power Company
- Taiwan Corning Display Glass
- EVERLIGHT CHEMICAL INDUSTRIAL CORPORATION
- GRAND PACIFIC PETROCHEMICAL CORPORATION
- LEE CHANG YUNG CHEMICAL INDUSTRY CORPORATION
- Linde Lienhwa Industrial Gases Co., Ltd.
- Formosa Plastics Group

23 Supply-Side Companies

(*Supply-side participants are TASS 2025 exhibitors or sponsors)

Trend Forum – Net-Zero Transition Solutions & Technology Research Presentations

TASS 2025 forums brought together government agencies, international organizations, and industry representatives to discuss smart applications, circular economy, and supply chain resilience.

Through presentations and roundtable discussions, the forums connected policy trends, technology, and business insights — helping enterprises navigate sustainable transformation and reinforcing TASS as a key exchange platform for Taiwan's sustainable industries.
