Sustainable Taiwan Expo 2026

November 11-13, Wednesday-Friday
Kaohsiung Exhibition Center

The Most Influential Sustainability and Net-Zero Exhibition in Asia

The only solution platform in Taiwan that connects government, enterprises, and technological resources, building a cross-industry network that facilitates supply chain matching, sustainable development, and green finance. It promotes sustainable supply in industries and implements a green lifestyle for all.

TASS2026 Theme

Sustainable Supply, Green Lifestyles

We focus on supply chain transformation as the core, connecting domestic and international resources with market demands to create an **Adoptable**, **Verifiable**, and **Scalable** net-zero solution platform, becoming the most influential sustainability exhibition in Asia.

>> Key Value Proposition <<

- ◆ Sustainable Supply Chain Innovation ◆
- ◆ Circular Economy Industrial Development ◆
- ◆ Nationwide Green Lifestyles Engagement ◆

Leading Sustainable Trends,
Creating Green Business Opportunities

TASS2026 Exhibition Categories

◆ Sustainable Supply Chain Innovation ◆

Sustainable Supply Chain & Smart Manufacturing

Energy Management

- Renewable Energy sales
- Energy Storage Systems
- Smart Grid

Low-Carbon Emissions

- Carbon inventory software
- Carbon Capture & Storage Technologies
- Energy-Efficient Industrial Equipment

Supply Chain Monitoring

- Smart Warehousing & Logistics
- Smart Manufacturing & Production

Renewable Energy

- Solar Energy & Wind Power
- Hydrogen & Biomass supply chains
- Geothermal Power & Small Hydropower

Technology Innovation & Digital Transformation

AI & Big Data Applications

- Supply Chain AI carbon reduction analysis

IoT & Blockchain

- IoT-based factory environmental monitoring
- Blockchain traceability & applications

Digital Transformation

- Operations management
- Cloud-based ESG Data Platforms

◆ Circular Economy Industrial Development ◆

Circular Economy & Resource Recycling

Resource Recycling

- Recycling Industrial waste, recycling & reuse
- Waste plastics & metal reclamation and reprocessing

Innovative Materials

- Biodegradable Packaging
- Recycled Textile Fibers
- Low-Carbon Construction Materials
- Sustainable Design Consulting

ESG and Green Finance

Green and Sustainable Finance

Carbon Credit Trading

ESG advocacy & consulting

TASS2026 Exhibition Categories

◆ Public Participation in Green Lifestyles ◆ Green Lifestyles & Consumption

Foods

Low-carbon diet

- Green Restaurants
- Local Ingredient Suppliers
- Plant-Based Foods

Clothing

Sustainable fashion

- Sustainable textiles & fabrics
- Used clothing recycling and upcycling technology
- Circular/green design services

Housing

Energy-Efficient residence

- Smart Energy-Saving Home Appliances
- Green and Low-Carbon Furniture
- Water & electricity conservation systems

Transportation

Green Mobility

- Electric vehicles and motorcycles
- Smart EV charging
- Shared mobility platforms

Education

Environmental Awareness

- Environmental education promotion
- Sustainability management training
- Net-zero knowledge dissemination

Leisure

Eco-Travel

- Eco-certified hotels
- Low-carbon tourism services
- Ecotourism attractions

Shopping

Responsible consumption

- Carbon-labeled products
- Eco-label certification
- Plastic-reduction lifestyle products

Forum

The TASS Forum is a key platform for sustainability exchange and net-zero solutions

Continuing the rich knowledge accumulated over the years, **TASS2026** aligns with global trends, focusing on **Smart Supply Chains**, **Green Finance & ESG**, **Resource Circulation**, and **Energy Transition**, with a new **Green Lifestyle** forum. It brings together leaders across sectors to deliver actionable solutions and advance sustainability in the daily life.

Date Time	November 11, Wednesday		November 12, Thursday		November 13, Friday
AM			Resource Circulation		Green Lifestyle Practices
	Opening Ceremony 11:00-12:00				
PM	Smart Supply Chains	Green Finance & ESG	Energy Transition	Global Supply Chains: Sustainability and Restructuring	
The organizer reserves the right to make final amendments, changes, and cancellations.					

Exhibition Zones & Event Activities

Exhibition Zones

- Sustainable Supply Chain & Smart Manufacturing
- Technology Innovation & Digital Transformation
- Circular Economy & Resource Recycling
- ESG and Green Finance
- Green Lifestyles & Consumption

Forum Topics

- Smart Supply Chain
- Green Finance & ESG
- Resource Circulation
- Energy Transition
- Global Supply Chain Sustainability & Restructuring
- Green Living

Exhibition Launch

It convenes cross-sector leaders to drive strategic collaboration and industry alignment.

Business Networking

It connects global partners to unlock sustainability insights and high-value opportunities.

Social Networking & Referrals

It enables impactful engagement to accelerate partnerships and tangible business outcomes.

Exhibition Visitors

Sustainable Supply Chain & Smart Manufacturing Industries

- **Electronics:** Semiconductors, optoelectronics, electronic components, PCBs.
 - **Petrochemicals:** Steel, petrochemicals, plastics, pulp & paper, chemical materials.
 - **Machinery & Equipment:** Metal processing, industrial machinery manufacturing, electrical equipment, automated production lines.
 - **Transportation:** Automobiles, motorcycles & components, bicycles, aerospace.
- 

ESG Finance & Advisory Services

- **Financial Services :** Green financing, investment banking, asset management companies.
 - **Professional Consulting :** ESG marketing consultants, carbon trading agents, carbon label certification bodies.
 - **Public & Academia :** Government industrial development/ environmental agencies, trade associations, academic institutions & research organizations, professional media.
- 

Circular Economy & Construction Innovation Industries

- **Resource Recovery:** Renewable Energy Power Sales (CPPA), Waste Management, Water Resource Management.
 - **Construction & Engineering:** Architectural Design, renovation, property development, low-carbon building material suppliers.
 - **Specialized Logistics:** Cold Chain Transportation, Smart Warehousing.
- 

Green Lifestyles & Consumer Channels

- **Retail channels:** Supermarkets, hypermarkets, chain convenience stores, department stores.
 - **Lifestyle services:** E-commerce platforms, cosmetics and pharmacies, furniture and home décor, home appliance businesses.
 - **Food, Beverage & Biotech:** Food processing, low-carbon dining, institutional catering, local agriculture & floriculture, biopharmaceuticals.
 - **Tourism:** Eco-certified hotels, ecotourism operators
- 

Exhibition Benefits

Business Development

50+ Business Meetings

Convert demand into orders and expand market reach.

International Linkage

20+ Countries Connected

Bridge Taiwan to global supply chains and scale internationally.

Brand Building

100+ Authoritative Media Features

Reinforce your sustainability vision and cultivate a distinguished corporate image.

Cross-Sector Integration

100+ Companies

300+ Booths

Integrate R&D and financial resources to co-build a resilient and mutually beneficial sustainable ecosystem.

Trend Insights

10+ Forums

Capture trends and seize global market positioning.

Innovative Technology

10+ Tech Showcases

Harness startup innovation, drive R&D investment, lead industry transformation, and accelerate corporate advancement.

The only platform in Taiwan focused on supply chains,
the preferred choice for cross-industry collaboration.

Exhibition Pricing

Booth Type	Scale	9-sqm Price (VAT not included)
Raw Space (Min. 27 sqm)	Space only	NTD72,000 (Tax excluded)
Standard booth	• Non-woven fabric carpet (3mx3m) • Company name sign x 1 set • White modular back wall x 1 set (H250 cm) • AC 110V / 5A power socket x 1 • Spotlight light (3 units) • Reception desk x 1 (100x50x82.5cm) • Folding chair (2 units) • Waste bin (1 unit)	NTD78,000 (Tax excluded)

碳標字第 2518202002 號
每平方公尺
(2024/11/06-2024/11/08)

TASS Exhibition prioritizes carbon footprint management and received ISO 14067:2018 carbon footprint standard certification in 2024, promoted by the International Trade Administration and awarded by BSI, demonstrating its commitments in sustainable governance and carbon emissions practices.

Innovative Technology Presentation Program

Content \ Price	Gold Level	Silver Level
	NTD 120,000 (VAT not included) USD 4,000 (VAT not included)	NTD 70,000 (VAT not included) USD 2,300 (VAT not included)
1 (9 sqm) Shell Scheme Booth	V	
15 min Presentation	V	V
Business Networking Participation	V	V
